Nyminde plantage Nord (2013). Parts revided OCT 2016, Scale 1:10 000 (classic), for all classes. Equidistance 2,5 m.

Control descriptions: Printed on the map and separate at start of localtion orient.

Location Orienteering: All runner must punch in the change over between loaction orienteering and orienteering. Orienteringsmaps will lay at switching point with startnumber upwards!

Kinds classes M/W10-14 will run a shorter location orienteering with five locations on route.

Water: At the switch from location orienteering to orienteering. Courses 1-5 will have an additional on their course.

Weapon handling:

Ammunition may not be kept in clips or on the weapon outside the check in to the shooting range. The bolt must be open during adjustment shooting and when the competitor leave the rifle in the rifle stand before the competition. Officials will close all bolts and blind fire after adjustment shooting has finished. After competition all spare ammunition must be removed from weapon and clips and bolt open before checking out from shooting range.

Clothing

In choice of clothes, please consider the wind chillfactor in the dunnes, although these are not situated directly at the North Sea! It can be a factor!

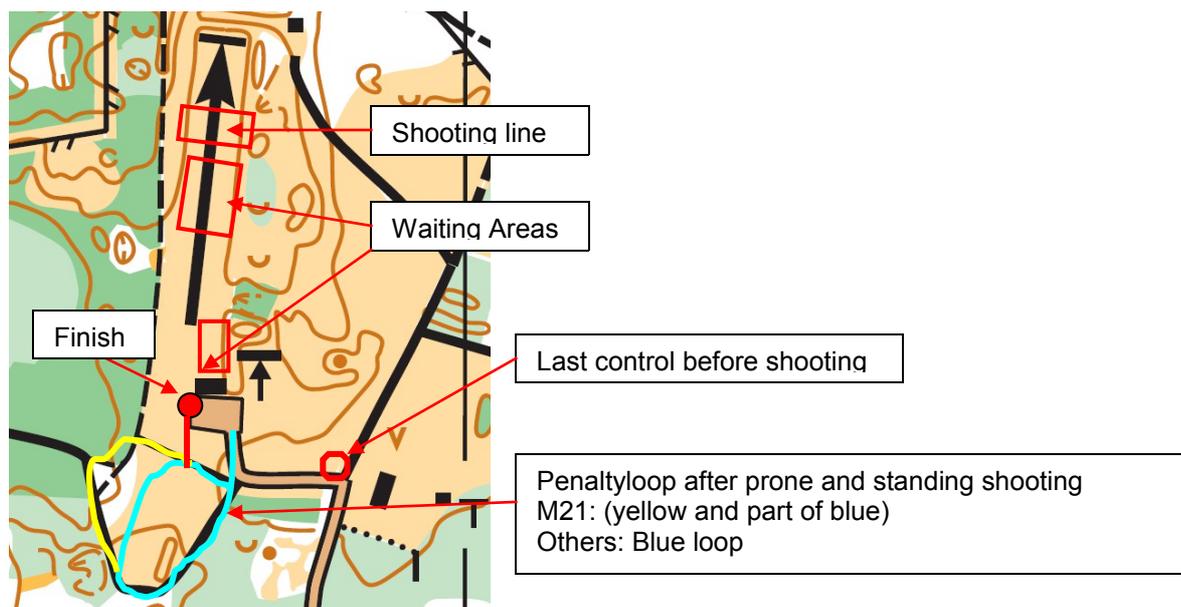

Competition Area Sunday d. 30 OCT (At shooting range N of BN 11).

Sprint: Orienteering, prone shooting, orienteering, standing shooting, orienteering.

At every shooting the competitor must fire 5 shots. For each missed shoot the competitor must run one penalty loop and punch the unfilled squares on the frontside of the map. The penalty loops must be executed directly after the shooting.

At the finish the competitor shall hand in the map and Emit. Borrowed Emit must now be handed back and sign out.

Please Note: That the terrain N of BN 11 and the Camp in general is competitionarea!!
